

4th Marketplace bio.dortmund at 28th October 2014 10:00 am -4:00 pm
ISAS-Leibniz-Institute for Analytical Sciences-ISAS- e.V.

Information and registration www.biotechnologie-dortmund.de

INVITATION

Dortmund has established itself in recent years as a leading center for biotechnology in Germany. Around the TU Dortmund numerous biotech and medtech companies have established their business. Together with the research institutions, they form a powerful cluster.

In this dynamic and ambitious environment, the "marketplace bio.dortmund" wants to strengthen the biotech network further.

For the 4th time the TU Dortmund, ISAS, MPI, IfADo, the BioMedizinZentrumDortmund and the Economic Development Agency Dortmund are cordially inviting the Biotech Community to the "marketplace bio.dortmund" at the ISAS. Inform yourself in the lectures, in the poster sessions and in subsequent discussions about the activities in Dortmund & the Region - and thus play an active part of Dortmund biotech scene!

Also in this year, you have the opportunity as part of a local meeting place to get to know stakeholders from science and industry in order to set up or deepen your cooperation in Dortmund.

LOOK FORWARD TO:

Exciting keynote lectures // getting to know the local & regional biotech community // networking with other students and get to know other institutes, companies // poster presentation award // Interesting impulse lectures // get-together

The event is free of charge. However, please do get registered for organisational reasons!

POSTER PRESENTATIONS

You have the opportunity to present your current research in a poster and win an attractive prize. Limited number of Posters! Applications (up to 23.10.2014) and information: Marktplatz.bio.dortmund@googlemail.com
Win Books vouchers: 1st prize € 200.-, 2nd & 3rd prizes each 150.- €
